Basis for Amendments

In the claims, claims 1 and 6 have been amended to overcome the rejection under 35 U.S.C. § 112, first paragraph, where the Office alleges the claims fail to comply with the enablement requirement. The amendments to claims 1 and 6 are supported by the specification paragraphs 0106 through 0112 and associated Figure 13A and Figure 13B.

Summary

Applicant has made a diligent effort to place the claims in condition for allowance. Reconsideration and allowance is respectfully requested. However, should there remain unresolved issues that require adverse action, it is respectfully requested that the Examiner telephone Douglas D. Russell, Applicants' Attorney at 512-338-4601 so that such issues may be resolved as expeditiously as possible.

For these reasons, and in view of the above amendments and discussion, this application is now considered to be in condition for allowance and such action is earnestly solicited.

Respectfully Submitted,

April 13, 2007
